A HISTORY OF IRELAND IN 100 OBJECTS, A SELECTION
5TH & 6TH CLASS LESSON PLAN

Flint Macehead c.3300-2800BC

Knowth has a number of large stones, known as kerbstones.

Some of these kerbstones have engravings of maps and diagrams related to the sun, moon and stars.

Knowth has a huge amount of amazing artwork.
This artwork is carved on stone and is mostly made up of spirals and other patterns.

Flint is found in lumps in chalk beds.

Flint is one of the hardest materials there is.
