

DID YOU KNOW?

A HISTORY OF IRELAND IN 100 OBJECTS, A SELECTION 5TH & 6TH CLASS LESSON PLAN

Eileen Gray Chair, 1926

Chairs didn't become really popular until the 1500s. Until then, people generally used benches or stools

Thrones were used in ancient Egypt for important occasions

Musical chairs is one of the most popular children's games

In Japan and other Asian countries, they use chairs all the time. But it's also very common to take off your shoes and sit on the floor

Eileen designed a seaside house in the South of France in the modernist style, so she also worked as an architect
